

INDEMNITY WAIVER

I hereby authorize the staff of the above named camp to act for me according to their best judgment in any emergency requiring medical attention, and I hereby waive and release the camp from any and all liability for any physical injuries or illnesses occurring at camp. I have no knowledge of any impairment that would be affected by the above named camper's participation in the camp program as outlined in the brochure. My signature on this waiver also states that the above named camper is covered by my personal medical insurance policy.

STEVE HOLEMAN

Steve Holeman is the Head Coach of UGA Women's Soccer and the longest tenured coach in the SEC. He is the conference's third winningest coach. He has led his teams to three SEC Division championships, five NCAA Tournament berths and holds an 'A'

License from the USSF. Holeman is a long-time member of the Region III ODP staff and coached the Southeast Team to a gold medal in the 2001 U.S. Soccer Festival. He currently serves as a representative of U.S. Soccer for identifying national team candidates.

Steve Holeman's Georgia Soccer Camps are open to any and all entrants, limited by number, age, grade level and/or gender.

Girls High School Team Camp

Team Camp is the ideal venue for high school teams to get a head start on the competition. Your team will improve technically and tactically while enjoying the camaraderie of a camp experience in Athens.

TECHNICAL TRAINING

The morning sessions focus on the technical development of the individual players. Players will be exposed to advanced techniques on shooting, receiving, turning and heading. They will develop the skills to escape pressure and take on defenders one-on-one. Coaches will take players through each step of the techniques to ensure proper development and execution.

TACTICAL TRAINING

The afternoon sessions are devoted to team tactics of attacking and defending. Our expert staff of coaches will set your team up in a system that maximizes the strengths of the individual players. Topics such as team possession, changing the point of attack, box organization and zonal defending are covered. Teams will get to test what they've learned in the evening matches against other high schools.

Free camp t-shirt included!

GOALKEEPER TRAINING

Specialized goalkeeper training is held in conjunction with the camp. Goalkeepers are trained separately for individual instruction and train with the field players for match play development.

"For the past 3 years Georgia Soccer Camp has been a great experience for our soccer program. It's a chance for my players to work with college coaches and get a feel for what the college experience is like on the UGA campus, and to use their top-notch facilities. There are competitive training environments through the entire day, and evening games that push my kids to be better players. High School Team Camp will only raise our level of preparation when we are playing against other programs in the southeast."

*Judson Hamby – Parkview H.S.
2008, 2009 Georgia State Champions
2008 National Champions*

HIGH SCHOOL COACHES

Coaches who serve in an advisory role will be provided housing and meals for monitoring his/her team while at camp. You will have virtually unlimited access to our staff of coaches. We urge you to discuss ideas that will aid your development as a coach. We also feature classroom and video sessions with the UGA coaching staff to discuss tactical preparations and field adjustments.

"We've attended Steve's camp for years and could not have picked a better one! Each of the girls learned so much from the coaches. They are not only outstanding coaches, but wonderful people as well. The areas of instruction were pertinent and clearly explained. I learned many exercises to help in our drive for a fourth consecutive 10+ win season!"

Ben Yarbrough – Franklin H.S.
